Notes references on Application Form

Note 1 Building Practitioner Means

- i) a building surveyor; or
- j) a building inspector; or
- k) a quantity surveyor; or
- l) an engineer engaged in the building industry; or
- m) a draftsman who carries on a business of preparing plans for building work or preparing documentation relating to permits and permit applications; or
- n) a builder including domestic builder; or
- o) a person who erects or supervises the erection of prescribed temporary structures; or
- p) a person responsible for a building project or any stage of a building project and who belongs to a class of people prescribed to be building practitioners.
But does not include-
- q) an architect; or
- r) a person (other than a domestic builder) who does not carry on the business of building.

Note 2 Include building practitioners with continuing involvement in the building work.

Note 3 Include only building practitioners with no further involvement in the building work.

Note 4 The use of the building may also be subject to addition requirements under such legislation as Liquor Control Reform Act 1998 and Dangerous Goods Act.

Note 5 If an owner builder, restrictions on the sale of the property apply under section 137B of the Act. Section 137B also prohibits an owner builder of domestic building work selling the building within 6 ½ years from the date of completion of the relevant works unless they have satisfied certain requirements including obtaining compulsory insurance. The Building Control Commission maintains a current list of domestic building insurance providers.

Note 6 Building Permit Levy

Notice is given that in accordance with Section 201 of the Act, a building permit levy is required to be paid to the Building Administration Fund (to be collected by the relevant building surveyor) prior to the issue of the building permit and that the basis for calculation of that fee is \$0.0128 cents in every dollar of the cost of the building work for which the permits is sought.
